Re: Initial Certification - Green Tree Servicing LLC

Dear J.T. Warner:

Green Tree Servicing LLC ("Green Tree"), as a servicer participant in the Home Affordable Modification Program ("HAMP"), hereby submits the enclosed signed copy of the Revised Form of Initial Certification.

Green Tree also reports there are not instances of noncompliance that Green Tree believes would have a material effect on its ability to comply with Program requirements.

Please note that Green Tree has elected to make Subsequent Certifications effective as of the anniversary of its Initial Certification Effective Date.

Should you have any questions regarding this matter, please contact me.

With Best Regards,

Thomas J. Franco
